

A real L-M-H industrial vacuum in 95 cm

Model 118 is a singlephase industrial vacuum for dust and dry materials. One of the smallest industrial vacuum, it is powerful, reliable and can be customized according to the different needs. Available in stainless steel, with absolute filter for the collecting of asbestos or other toxic materials, with nomex filter to collect hot substances. You can choose this model in L, M or H class version to collect hazardous dust.

- L, M, H version for hazardous dust
- small
- silent
- absolute filter or nomex filter
- easy emptying of the container thanks to the release container system

Small and light, model 118 meets the different cleaning applications, even when absolute filtration is a must.
