

The perfect scrubber dryer for cleaning in tough and dirty environments

Variable pad pressure makes it possible to adjust to your cleaning needs.

For more dirty areas just add more pad pressure.

A big tank capacity and a longer battery run time makes it possible to clean for a longer time.

You will find it ideally suitable for scrubbing and drying in tough and dirty environments such as building contractors and industrial environments.

- Simple and easy to use controls
- Up to 91kg of variable pad pressure
- Variable speed transaxle drive
- Forward and reverse drive

With this medium-sized walk-behind scrubber dryer you can easily clean floors in tough and dirty environments.
