

A famous and well-known workhorse - efficient and durable for large area cleaning

The result is tremendous suction power with fantastic durability. This is what keeps our customers returning for the VP930 year after year.

- Excellent sound level
- Outstanding durability with sturdy steel container
- High quality components
- High filling capacity, 15 litre dust bag
- HEPA H13 exhaust filtration as standard
- Nozzle parking
- Dual speed function on selected variants

Nilfisk VP930 is the reliable partner for demanding cleaning applications in hotels, schools, offices and hospitals. Rugged and stable with a large dust bag capacity of 15 litres.

The ingenious design optimises air flow patterns and reduces energy losses to an absolute minimum, offering one of the quietest professional vacuum cleaners in the world.
